

East Central District Prayer Calendar 2018-2019

The numbers in the first column correspond to the days of the month. The names in the third column begin with the lead pastor or co-pastor, followed by co-pastor or associates, and then by clergy in other relationships to the congregation. If you use this calendar on your computer, the church names serve as links to the iaumc.org listing for that church. Please address additions or corrections to Ann Zeal.
